

NATIONAL AIRCRAFT MAINTENANCE CONFERENCE

TORONTO, CANADA

SAVE THE DATE: THURSDAY NOV. 12 - FRIDAY NOV. 13, 2026

Canada's largest aircraft maintenance event is back!

Designed for AMEs, technicians, QA professionals, buyers, students, AMOs, and MROs from across the country, this is Canada's premier gathering for aviation maintenance professionals.

This annual event brings the industry together for high-impact technical training, valuable networking, and hands-on learning opportunities that support the continued growth of Canada's aviation maintenance community.

Event Highlights

- Canada's Top Aircraft Maintenance Event – The largest gathering of AMEs, PRMs, QA professionals, technicians, buyers, and more.
- Expert-Led Training & Workshops – Technical sessions with industry professionals.
- AME Skills Challenge – A national competition highlighting maintenance talent with a focus on mentoring.
- Exhibit Hall – Over 65 exhibitors showcasing the latest aviation maintenance innovations.
- National Networking Opportunities – Build valuable industry connections.
- Industry Social – Enjoy an evening of networking with peers, featuring appetizers, music, and a relaxed atmosphere.

National Skills Challenge – November 12th

Join Canada's premier and original aircraft maintenance competition! This high-energy event showcases top teams from Airlines, the Canadian Armed Forces, General Aviation, and the corporate sector. Compete for national recognition and fantastic prizes!

Teams of up to three professionals, each paired with one student (enrolled in one of Ontario College's Aircraft Maintenance Technician Program) will vie for national bragging rights and exciting prizes.

****Participants must be fully registered and paid for the AME Conference to participate. Conference fees are non-refundable.****
